To the Holy One whose very presence is heaven.

as we seek a time when your love overcomes the world.
Until then, remember those who are suffering, remember those who are weary,
remember those who are fighting for their lives,
remember all of us who have prayers that can only be whispered in our hearts.
Show us how to forgive when forgiveness seems impossible.
Remind us that the same love that reaches out and forgives us
extends to all people who seek forgiveness.
As we continue to struggle spiritually, physically, and emotionally,
guide us toward love and away from selfishness.
In your strength and generosity, we pray. Amen

A GoFundMe initiative has been setup by Michigan Immigration Rights Center(MIRC), Washtenaw Interfaith Coalition for Immigrant Rights (WICIR) and St. Mary's Catholic Student Parish to support Santos. Her story and the GoFundMelink is below.

Hospitalized Mom Needs Our Help After Being Hit By Car in AAPS School Parking Lot

A single immigrant mother of two Ann Arbor Public Schools (AAPS) students is hospitalized with severe injuries as the result of a car accident while she was picking up her kindergarten child from elementary school. Due to some AAPS bus service routes being suspended recently, this mom was doing school pick-up herself. She was walkingthrough the school parking lot when a car slammed into her. She was rushed to the hospital, spent time in the ICU and continues to require significant long-term medical intervention at the hospital. She has lost income that she uses to support her children. Her younger child also has special medical needs. An extended family member has comefrom out-of-state to care for her children during her hospital stay and gradual recovery, which is expected to last months.

We at **Washtenaw Interfaith Coalition for Immigrant Rights (WICIR)** have known this immigrant mom for many years. She has lived in Washtenaw County for more than 15 years. Several years ago her husband, and father of her children, was detained by ICE while driving their youngest child to the hospital; he was subsequently deported. This lefther alone to care for her children and support the entire family. WICIR has accompaniedher over the years through many challenges. This recent turn of events, however, is an unforeseen disaster with both short- and long-term implications. It is anticipated that shewill need long-term rehabilitation before she can return home to her children.

Michigan Immigrant Rights Center (MIRC), who is providing Santos with no-cost legal assistance, **St. Mary's Catholic Chapel,** and **WICIR** are reaching out to ask for not onlyfinancial support for her, but also asking that you will help us distributing this GoFundMel ink and her story to others in your orbits as we strive to tell her story to our larger communities. As you can imagine, financial support is urgently needed, especiallyregarding housing, food for the children, and assistance for her family members who havecome from far away and left work to help support her and the kids. Please give what youcan to bring a little light and hope to this family in crisis.

The Rev Dr. Lillian Daniel

Lillian Daniel is a nationally recognized preacher, teacher and writer who cares deeply about clergy and congregations. After serving four unique congregations in the UCC, she now feels called by the Holy Spirit to leadership as the next Conference Minister of Michigan.

A graduate of Yale Divinity School, she began her ministry as an Associate Pastor at a large church in Cheshire, Connecticut. From there she became a Solo Pastor at a small urban church in New Haven, Connecticut where the choir outnumbered the congregation, but over eight years, they grew to become a vibrant, interracial, community, that also became Open and Affirming. This would be the first of three churches to go through the Open and Affirming process under her pastoral leadership, which also includes extensive experience organizing for justice in politically diverse settings, serving on the boards of Interfaith Worker Justice and the Community Renewal Society. After ten years as a Senior Pastor at a large church in the western suburbs of Chicago, she moved to the beautiful driftless region of Dubuque, Iowa, where she has been Senior Pastor at an historic urban church since 2016.

In the United Church of Christ, she has the distinction of having been a General Synod delegate from all of the three conferences she has served: Connecticut, Illinois and Iowa. A regular writer for the UCC Stillspeaking Devotionals, she was a founding member of the UCC Writer's Group that has produced many written materials for the denomination and in Iowa, she is currently a member of her association's Committee on Ministry.

Lillian Daniel is also a widely read author whose latest book, *Tired of Apologizing for a Church I Don't Belong To* generated international conversation about the changing religious landscape. It continues the theme of her 2013 book *When 'Spiritual But Not Religious' Is Not Enough* about the growing number of people who claim "none" as their religious preference. Featured in the New York Times and on PBS, Lillian Daniel's writing has been described as "biting, hilarious, pitch perfect, tender, and often stunningly beautiful," and her book *This Odd and Wondrous Calling* is taught in many seminaries.

Passionate about faith formation for both clergy and laity, Lillian Daniel currently teaches UCC History and Polity at Chicago Theological Seminary where she is also on the Board of Trustees. She has taught preaching at a number of schools, including University of Chicago, University of Dubuque Theological Seminary and Yale Divinity School, although she can't be held responsible for everyone who falls asleep in church. Perhaps most importantly, at every church she has served, numerous church members and seminarians have felt the call to become pastors and they now serve at churches across the world.

Lillian Daniel has spoken at the National Cathedral, Duke Chapel, King's College, London and Queen's College, Ontario, and now she looks forward to speaking at UCC churches across the Michigan Conference, with a focus on communication, connection and celebration, as together we discern what our still speaking God is calling us to do next.

OUR CHURCH'S MISSIONS

THE BEACON CENTER

The **Beacon Center** is the newest community social justice of the Ypsilanti First Congregational UCC. As a light to all persons, the Beacon Center's ministry will support the spiritual formation, creative expression, overall thriving and advocacy of at-risk students of all ages, including those affiliated with three primary local institutions of higher learning: Eastern Michigan University, Washtenaw Community College and University of Michigan. In the Spirit of the UCC moto, "That They All Shall Be One", Beacon Center serves as a uniting and unifying umbrella across our congregation serving persons sources through our three other community social justice ministry networks. Those ministries (each detailed below) include WICIR (Washtenaw Interfaith Coalition for Immigrant Rights) serving the immigrant communities, MI-ONA (Michigan Open and Affirming Coalition) serving LGTBQ+ persons, and WeROC (Washtenaw Regional Organizing Coalition) which brings together faith, labor and community organizations to address local issues.

The Beacon Center is committed to advocate for self-determination and education for all people, especially students living in poverty, persons of color experiencing racism, and other de-humanizing circumstances and conditions. Beacon Center's student demographics include persons of color, immigrants, minorities, LGTBQ+ folk, women, those with special needs, the economically disadvantaged, those facing housing insecurity, the financially challenged, and the working poor. For additional information on the Beacon Center, please contact Rev. Liz Larrivee at lizlarrivee@gmail.com

IMMIGRATION MINISTRY – WASHTENAW INTERFAITH COALITION FOR IMMIGRANT RIGHTS (WICIR)

Since 2008, **WICIR** has been working with, and in support of, immigrants in Washtenaw County facing challenges of many kinds. At our inception the primary need that brought us together was to support people facing enforcement action by ICE (Immigration and Customs Enforcement); most often detention, deportation, and removal. To date, WICIR has responded to 650 calls. Always in partnership with folks most affected, many actions and services have evolved as identified by our immigrant siblings, while always keeping focused on our original mission:

To provide culturally sensitive and supportive urgent response to those in Washtenaw County in immigration-related crises; impact local governmental policies to empower and protect immigrant community members; and work toward humane national immigration reform.

Our outreach has been significantly impacted by the COVID-19 pandemic. Many in immigrant communities have experienced significant challenges as they struggle to pay rent, provide food for their families and other basic survival needs. To respond, WICIR, in partnership with Mexiquenses in Michigan (from St. Francis of Assisi Parish), has raised and distributed $200,000 relief funds to immigrants and their families. We have a waiting list of those still in need and will continue this effort as funds are available.

For information about what's happening with immigrant rights and **Washtenaw Interfaith Coalition for Immigrant Rights**, or if you are interested in learning ways to help, please contact Melanie Harner at melharner@gmail.com or through the WICIR website: https://wicir.org/. You can also find a link on the church website.

MICHIGAN OPEN & AFFIRMING COALITION

The Coalition brings together Michigan Conference UCC churches that have declared themselves to be Open and Affirming of people of all gender identities. For information about what's happening with **Michigan Open & Affirming Coalition**, or if you are interested in joining, please contact Wayne Burling (734-377-0696). More information can be found on their website http://www.mi-ona.org or on Facebook (http://www.facebook.com/groups/onami). You can also find a link on the church website.

WASHTENAW REGIONAL ORGANIZING COALITION

First Congregational is a founding institution of the local "organization of organizations" **WeROC (Washtenaw Regional Organizing Coalition)**. In many ways, WeROC is a larger illustration of the values and mission we try to live out at First Congregational. WeROC members are, at our core, focused on intentionally re-weaving the frayed fabric of community at a time when forces are at work every day to keep us fragmented, suspicious of each other, feeling isolated. Especially in this time when so many are being hit by the health and economic crises, WeROC's focus on raising voices of those most affected is more important than ever (See COVID-19 Resources at www.werocmi.org) WeROC's Mission Statement is:

WeROC brings together faith, labor, community organizations, and individuals to build the healthy collective power needed to break down the systems that sustain injustice, racism, and economic inequality.

WeROC is affiliated with the Detroit Metro organization MOSES and the Gamliel National Network. Contact Tad Wysor at tadwysor@gmail.com or 734-883-3225.

This past election year showed us good things can happen when we're working together in the same direction. WeROC is moving rapidly **forward** to keep momentum going and find ways to continue to be more effective together in making our communities healthier and more vibrant places; improving the lives of *everyone* in big ways-- especially those who are most vulnerable and whose voice have seldom been heard.

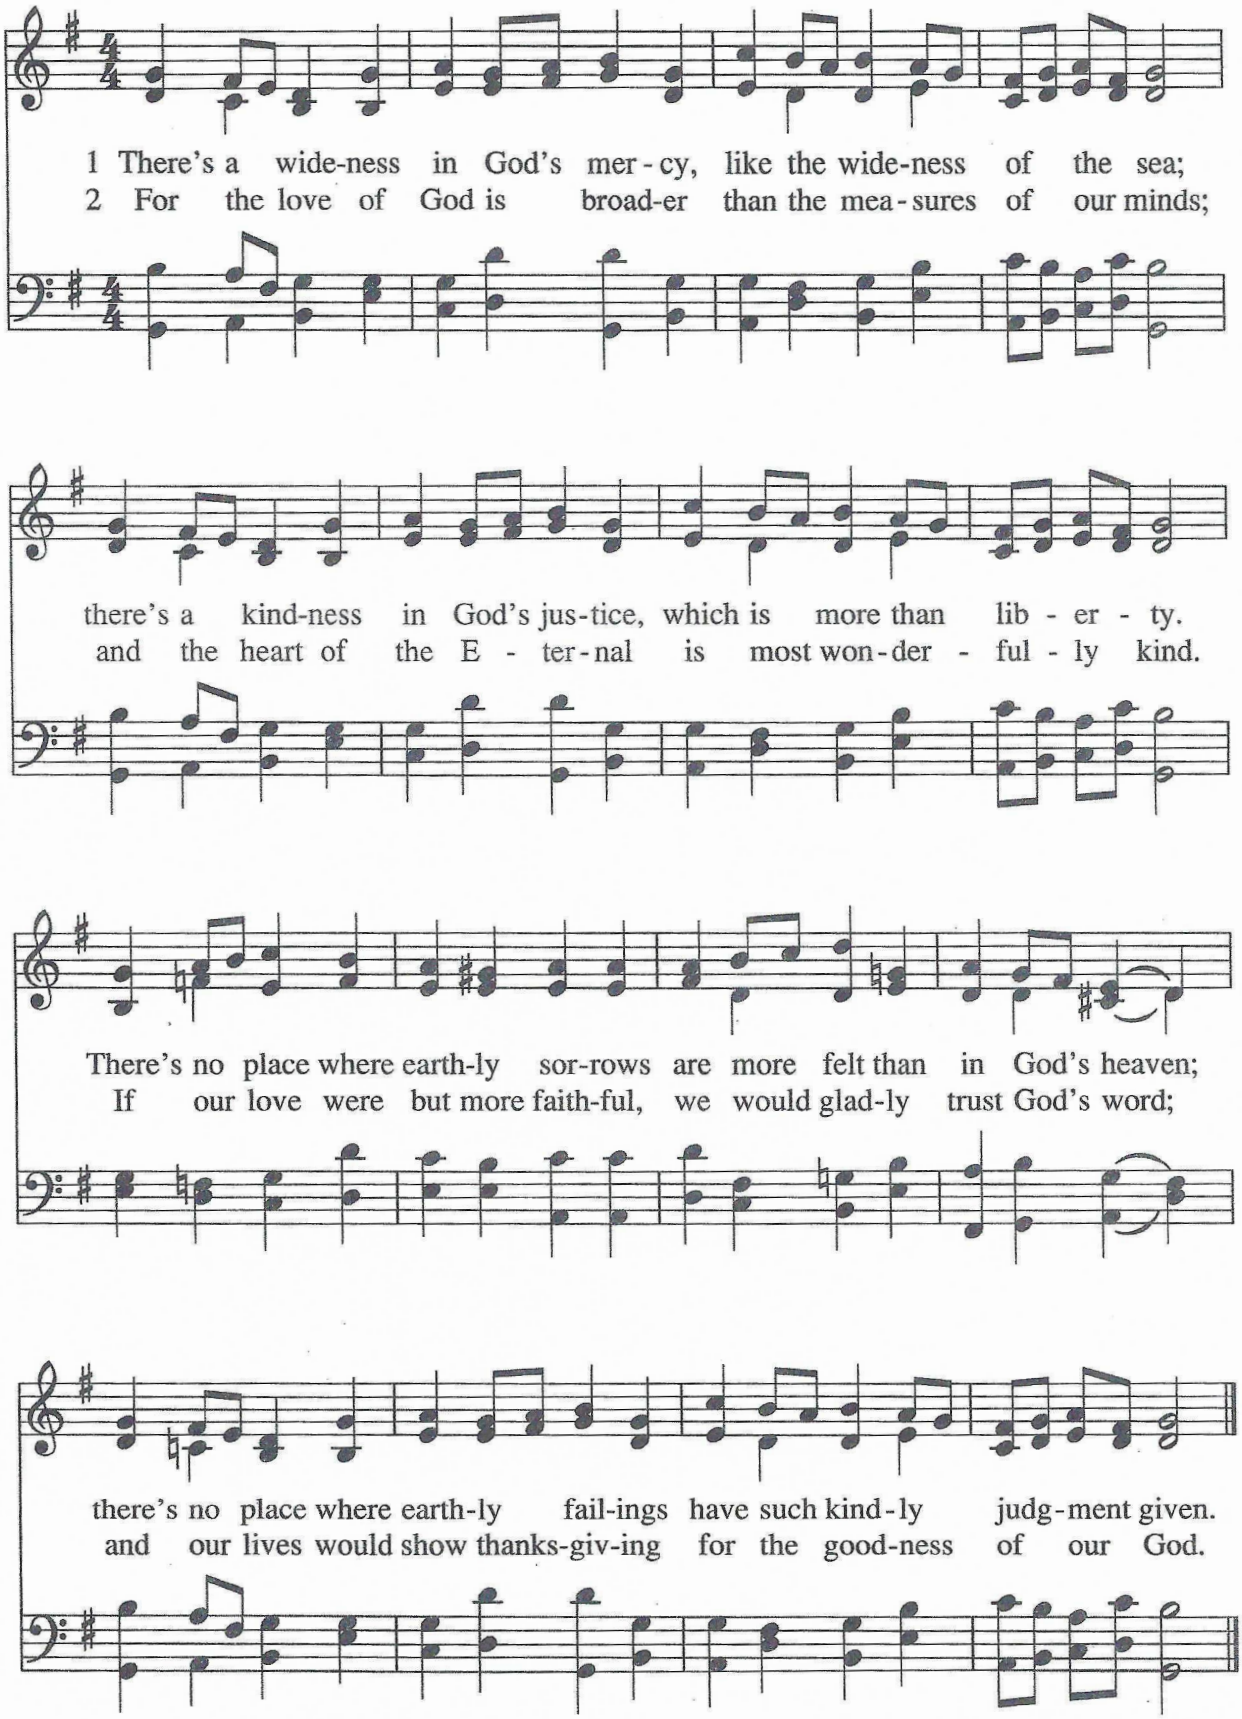
There's a Wideness in God's Mercy 23

Frederick William Faber, 1854; alt.



1 There's a wide-ness in God's mer-cy, like the wide-ness of the sea;
2 For the love of God is broad-er than the mea-sures of our minds;
there's a kind-ness in God's jus-tice, which is more than lib-er-ty.
and the heart of the E-ter-nal is most won-der-ful-ly kind.
There's no place where earth-ly sor-rows are more felt than in God's heaven;
If our love were but more faith-ful, we would glad-ly trust God's word;
there's no place where earth-ly fail-ings have such kind-ly judg-ment given.
and our lives would show thanks-giv-ing for the good-ness of our God.

Of Huguenot Protestant ancestry, Frederick William Faber was influenced by the Oxford Movement and eventually became a Catholic priest. He wrote 150 hymns to correspond to the number of psalms.

The text for the refrain of this hymn is known as the "World Peace Prayer." It is a paraphrase of a verse from the Upanishads, *the most ancient scriptures of Hinduism. Since its introduction at a service in Westminster Abbey on Hiroshima Day, 1981, the prayer has been translated into numerous languages and circulated around the world. The musical setting and additional stanzas were composed by Marty Haugen, composer-in-residence at Mayflower United Church of Christ, Minneapolis, Minnesota.*
